Weiser Officers Step Up During Hurricane Matthew

Hurricane Matthew swept along the coast of the South-eastern United States in Florida, Georgia, South Carolina and North Carolina on October 7 & 8, 2016. At it's peak it was a Category 4 Hurricane. By the time it reached South Carolina it weakened to a Category 1.

Hurricane Matthew left much damage in it's path and is responsible for over 900 deaths in Haiti and at least 45 deaths in the United States.

We have many clients and officers in the areas that were directly affected. There are still some areas that continue to clean up and recover from the damage.

We'd like to thank the Weiser Security Officers who volunteered to work and keep our clients properties secure.

Here are a few officers who stepped up to help during and after Hurricane Matthew. Even though we can't thank each officer individually, we do want to give a huge THANK YOU to each and every one of you who helped during and after the storm!

Jacksonville Officer Jerron Duncan stayed at the residential community until the mandatory evacuation orders were announced to help the community prepare for Hurricane Matthew.

West Palm Beach Officer Thomas Kalogris stayed on site to ensure the safety of a six story building. He was in constant contact with management reporting conditions. Thankfully there was no damage to the property and Officer Kalogris stayed safe.

West Palm Beach Officer Richard Barnes made sure that residents of a condo evacuated safely and reassured them of their safety.

Safety Tips for 2016 Holiday Season

As we approach the holiday season we look forward to many wonderful things: decorating, giving and receiving gifts, spending time with family and friends and having fun. Rarely do we think that something dangerous could be lurking. However, there are many safety issues we should think about during the holiday season to keep ourselves and our families safe.

Home Safety:

- Prevent Christmas tree fires by removing fire hazards. Do not place tree near fireplaces, radiators or other heat sources. And select a fresh green tree.
- Only use lights that are safety tested.
- Check light strands for broken bulbs or loose connections.
- Connect lights to a timer or turn off all lights when you go to bed or leave your home.

Shopping Safety:

- Be aware of your surroundings.
- Do not shop alone. There is safety in numbers.
- Carry cash and credit cards in your pocket. Do not carry a purse.
- Never leave packages or personal baggage unattended.
- Shop during daylight hours.
- Have your keys ready when returning to your car.
- Conceal packages inside of your car while shopping.

**IF YOU EVER FEEL UNSAFE, LOCATE A
SECURITY OFFICER FOR HELP.**

Have a Happy and Safe Holiday Season!

Security Officer Spotlight

Houston South Officer Billy Swain

Billy Swain, Houston South

Officer Billy Swain was on post one afternoon when he witnessed a client employee stealing fuel from a tank which is used to fill up company vehicles. He immediately took action, stopped the employee and contacted management. Thanks to his dedication, he was able to stop a bad apple in the company. The CEO personally thanked him for his outstanding service.

Officer Swain has been with Weiser for over two years. He has proven to be a valuable asset over and over again. He is always setting an example in professionalism for the entire security team.

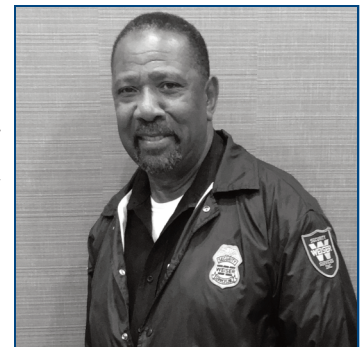

Thank you Officer Swain for being dependable and reliable!

Gregory Webb, Houston South

Officer Gregory Webb was doing rounds in a parking lot and noticed a construction truck with unsecured tools and equipment in the bed of the truck. He continued to check the truck throughout the day making sure it was secure. Later in his shift he did notice some individuals scoping out the truck. He approached them and asked if they were customers, to which they said no and left. Because he continued to look out for the truck, he prevented a possible theft.

Officer Webb has been with Weiser for over nine years. During this time he has worked many different types of posts, and always excels.

Thank you Officer Webb for your attention to detail and observation.

Weiser Ambassador Program and Contest

Ambassador is defined as “a person who acts as a representative or promoter of an organization.”

Weiser Security would like all of our employees to be Ambassadors by helping us with two things: Finding applicants to be great employees and new business.

Not only do you get paid for referring new employees and new business, but for every person hired and every job sold, your name is entered in a drawing to be held December 1, 2016. There will be three prizes given at the end of the year:

First Place - Gold: \$1,000

Second Place - Silver: \$750

Third Place - Bronze: 1 week paid vacation

Ask your local branch for more information. Good luck and thank you for being a Weiser Ambassador.
