## Weiser Celebrates Outstanding Officers and Employees of 2016

*Baton Rouge Officer, Tony Craven, accepts the Security Officer of the Year Award from Mike Burke, Regional Vice President and Mickey Weiser, CEO*

### Security Officer of the Year: Officer Tony Craven

Officer Tony Craven has been with Weiser Security for 14 years, and with our client since we began our partnership with them in 2002. His work ethic, dedication and communication skills are excellent. His years of professionalism have earned him the Lead Supervisor position.

Our client said “He is the right hand of the facility. He is highly respected by his fellow Security Officers, client employees and myself. In my years of working with Tony, I have found him to be one of the most dependable and reliable people I’ve had the pleasure to work with. I know that if he is given a task, he will go above and beyond to accomplish the goal.”

Officer Craven sets the tone for his fellow Security Officers and the building. Thank you Officer Craven for your dependability and professionalism. Con-

gratulations on being named Weiser Security Officer of the Year. We are proud to have you on the Weiser team!

*Tampa Officer, Willie McNeil, accepts the Officer of the Year for the Florida Region from our clients.*

### Officer Willie McNeil, Regional Officer of the Year, Florida Region

Officer Willie McNeil joined the Weiser team nine years ago. During that time he has been recognized as Employee of the Month several times and received numerous commendations by our clients.

Officer McNeil is an exemplary officer and gentleman. When he is not busy providing excellent leadership to the security team for our client, he is busy coaching bas-

ketball for youths at The Skills Center in Tampa. His coaching and work guides students to achieve their life goals through academic achievement and sound character. In a day when guns, gangs and the life of a drug dealer seek to recruit our young people, Officer McNeil recruits them to a program to stay off the streets and make a real difference in their education and lives.

We are proud to have you on our team, Officer McNeil. Thank you for all that you do for Weiser and young people. Congratulations!

Every month each of the 23 branches choose an Officer of the Month. Of those officers, each branch then chooses one Officer of the Year that best represented their branch for the year. Each region then chooses a Regional Officer of the Year from each region’s branch’s Officer of the year. Support Center Executive Team then selects one of the four Regional Officers of the Year as Officer of the Year. The Officer of the Year attends the year end celebration in New Orleans to receive his/her award. All officers that are employed more than six months are eligible to be nominated.

**Officer Michael Dennis, Regional Officer of the Year, Pacific Region**

Officer Michael Dennis provides security at a medical center in Arizona. He is valuable not only to the Security Team, but the hospital staff as well. He continues to go above and beyond in his duties. He works closely with management to ensure all safety procedures are followed when forensic patients are expected. He is part of the hospital's Environment of Care Committee, which meets monthly to discuss security and safety of the facility. He even works with transportation to ensure helicopter arrivals run smoothly.

Officer Dennis always makes sure to communicate all issues, and gets information to those who need it immediately. The staff speaks highly of him, many have written to us saying he is the best Security Officer they've ever worked with, and he is always right by anyone's side who is in need.

Thank you Officer Dennis for being a great support to those in need. Congratulations on being named Officer of the Year!

**Officer Frances Coates, Regional Officer of the Year, Central Region**

In November 2015, Officer Frances Coates and her two sons lost everything in a house fire. It took her nine months to find new housing and in that time of personal tragedy, she never let it affect her work ethic or attendance. She transferred to the Mobile area and asked for any shifts she could get. For a time she even worked in the office filing, answering phones and checking applicant references.

Officer Coates keeps the Weiser Promise of being dependable and reliable. Thank you Officer Coates for your dedication. We are proud to have you on our team. Congratulations on being named Officer of the Year!

Mickey Weiser, President & CEO, was surprised with an award honoring his 40 years of service and dedication to Weiser Security and its employees. Mickey is pictured above with his family: Christine, Pam and Michael.
